## Introductory Note.

The importance of the "Fones Records" require that they should be annotated, but the peculiar situation and condition of our State Records are such that the proper care and attention they deserve cannot now be given them. In order therefore that this record may have the attention it deserves, the compiler publishes them in their present form and intends to publish some time, in the future notes explanatory, historical and critical illustrating the matter here treated. He wishes therefore that all readers who have anything that will aid him or any suggestions or can refer him to any authorities that will be of service to him, to do so. The Narragansett History is of great interest to New England and it is the sincere wish of the compiler that all evidence bearing on the subject may come before him that he may be enabled to present in this work, this historical gem Rhode Island is so justly entitled too.

## Introduction.

THE FONES RECORDS beyond all doubt, are the most historic Land Evidence compilation extant to day in New England. The fate of our state at one time depended upon the success or failure of the scheme recorded in this work. Samuel Cranston successfully overthrew the whole matter and to reward him the People of the State elected and re-elected him Governor until his death he serving them in this office near thirty years. If political fortunes were made ;

fortunes also were ruined by the exposure. In the whole it was a very severe lesson unto all engaged in it and a warning to these who have not learned the lesson, that even the best laid plans of men go often wrong.

In regard to the preservation in print of our Colonial Records both Town and State, our people have been very indifferent, not to say careless. Such an institution as a Historical Society we have in name only. What has been done in the line of historical and genealogical preservation has been undertaken and carried through entirely by independent sources. We know by our own personal experience that where we should have looked for encouragement, kindly advice, and friendly interest, we found our bitterest enemies and such that even went outside of truth to work us an injury. Our path, not over pleasant at the best, has been rendered very disagreeable by men whose extreme selfishness have given very narrow-minded conceptions of literary qualifications. While we have had many things unpleasant to contend against, we have also had things encouraging and peculiarly pleasant.

One of these pleasant features happened to us in January, 1891, when with the advice of friends we prepared a petition to the City Council of Providence to have the Early Records placed in print. Our petition was also signed by a number of scholarly and thoughtful gentlemen in full accord and sympathy with us in our laudable work and they aided us in our effort, This petition was favorably acted upon. The result was that a start was made and has been since continued until now, ( March 1894, ) the 5th volume is before us in print.

We have always had a pride in this matter that we accomplished the work with our friends, aid of started and putting into successful operation so desireable a work.

To show more fully the matter, we here publish the original papers.

To the Honorable, the City Council of the City of Providence :

The undersigned respectfully represents that it has become a matter of the utmost importance that steps be at an early day taken to preserve the early records of the town of Providence by printing the same after the general form and in the manner pursued by the city of Boston.

The undersigned having had large experience in deciphering and printing old records, would respectfully ask your Honorable Body to raise a special committee, who shall consider this matter ; here your petitioner, in further explanation, examine the printed books of the Boston Records, which your petitioner will exhibit, and report to your Honorable Body the plan found most feasible for preserving our early records, which are of such inestimable value.

JAMES N. ARNOLD.

We, the undersigned citizens of the city of Providence hereby respectfully recommend the foregoing petition to your favorable consideration, fully recognizing the great importance thereof.

COMMITTEE ON EDUCATION.

John E. Kendrick, Chairman ; George E. Barstow, Edward S. Aldrich, John J. Gilmartin, Alderman Elisha Dyer.

No. 115. Report of the Joint Committee on Education Relative to Printing Old Town Records.

( Presented March 2, 1891. )

To the Honorable the City Council of the City of Providence :

The Joint Standing Committee of the City Council on Education, to whom was referred in Board of Aldermen, July 2, 1890, and in Common Council, January 19, 1891. petitions praying that the early records of the town may be printed, respectfully report :

That there are several ancient books of record in the offices of the City Clerk, of the Clerk of the Municipal Court and of the Recorder of Deeds, which are in such a condition, from long use, that the preservation of their valuable contents can be accomplished only by reproducing

them in a substantial and permanent form. These records are highly valuable ; first, as furnishing material for the very important and interesting early history of the town ; and, secondly, as furnishing evidence by deeds, layouts, wills and many other particulars of the greatest consequence in tracing and proving the ownership and descent of property. In their present condition, they are in large part legible only by experts, and they are subject to the changes of destruction from wear and accident.

Your committee are of the opinion that these records should be reproduced by printing rather than by writing. The printed will be more legible, can be examined by several investigators at the same time, will not be subject to mischievous alteration, and the possession of a number of copies will enable the city to make to other Municipal Governments and to Public Libraries such distribution of these monumental records of our early history as may seem proper.

They have endeavored to ascertain approximately the cost of such printed copies, but they find that a careful examination of the record books must first be made in order to determine how many volumes require to be reproduced, and in what style it is best that they be printed. They therefore recommend that this work be begun by the appointment of a Commission, with authority to do the preliminary work, and produce one volume of copies in a manner worthy of the importance of the work. On the completion of this volume, the Commission will be able to report much more definitely than can be estimated, the probable extent and cost of the work, and the City Council can better decide when and how far it is advisable to continue.

The committee, therefore, recommend the passage of the accompanying resolution.

JOHN E. KENDRICK, Chairman.

No. 116. Resolution Appointing a Commission to Print the Old Town Records.

( Approved March 6, 1891. )

Resolved, That Horatio Rogers, George M. Carpenter and Edward Field are hereby appointed Record Commissioners, who shall serve without compensation, for the purpose of collecting and printing the early records of the town of Providence, and said Commissioners are hereby authorized to expend the sum of one thousand dollars for collecting and printing said records, said sum to be charged to the appropriation for printing.

In face of the above facts and to show how very small some minds can be when allowed by selfish motives to control, we call especial attention to the first report of the Record Commissioners where in the appendix, They show just how far the so called Rhode Island Historical Society had interested themselves in the matter. Our work was done nearly seven years after they utterly failed to do anything according to their own published report. Yet in spite of this published fact, one of the Record Commissioners has the face to write this in a published address, ( see page 19 of the R. I. His. Quar. for April 1894. )

“ It was not until this Society pressed the matter upon the attention of the City Council three years ago that municipal action was taken.”

We pronounce this an unqualified falsehood for the reason above given.

Having been so successful in this matter we have become so bold as to Start our new serial of which Volume I is now before the reader. It is proposed to make the RHODE ISLAND COLONIAL GLEANINGS an invaluable work of reference to all Rhode Island Scholars. The Compiler has spent years of labor and intense study to perfect himself for his chosen life work. He has thoroughly equipped himself for his work but at the expense of wealth, for had he but have put the same time and energy into some other business pursuit he no doubt could have accumulated some wealth in

his now the twentieth year of historical research. We are not writing this introduction for effect but to give an honest expression to what one has to encounter in this state who tries to do a much needed work. The coming generation will be more liberal and just to us and we intend to leave behind us a written statement about some things that will not be pleasant reading to certain parties alive to day.

If there is any short comings in this volume and its appearance is not every way satisfactory will the reader please to remember we have done the best we could with the means God and Man has placed at our disposal.

If the public and our friends will place more means and encouragement in our hands another volume will follow this. We have serveral volums of the serial in manuscript which will be printed as soon as means are given and pledged for such purpose.

It is not our intention to put fancy prices to any of our works. The price placed in our present one of \$1.50 is higher perhaps than some of the others will be held so far as matter is concerned. In brief we shall put the price as low as possible consistent with successful publication.

The writer takes great pleasure in having successfully published his VITAL RECORD OF RHODE ISLAND 1636-1850. The town records of the five countries of the state are now in print making a total of nearly 3200 pages. He is willing to rest his fame upon this great work alone which he considers a monument to his industry and long and very patient research.

NOTE—: The Contents, General Index and Index to Places will be founded after the text in this work.

Edward Palmer, John Pynchon and Nathaniel Saltinstall Esq'rs or any three of them whereof Edward Cranfield or Edward Randolph Should bee of ye Corum Com'rs for Enquireing into the Respective Claimes, and titles as well of yo'r Maj'ties as all p'sons and Corporations whatsoever to ye imediate Jurrisdiction and Propriety of Soyle to the Kings Province or Narragansett Country and to make Reporte of ye Same, wth their Oppinions upon ye matter yt Should bee Examined by them, That yo'r Maj'tie might cause impartiall Justice to bee done

In Humble Obedience to yo'r Maj'ties Command, wee yo'r Maj'ties Sayd Commissioners whose names are Subscribed doe humbly offer yt upon receipt of yo'r Said Commission wee both by yo'r Lett'rs to yo'r Severall Govern'rs and councill, of yo'r Collonies and by printed Summons Sent to them to Publish if they Saw cause in their Respective Jurrisdiction for information of their people, Signified ye purport of ye Said Commission, and yt wee had appointed on Wens daye the two and twentieth of Aug't, to Convene at ye house of mr. Rich'd Smith in ye Narragansett Countrey to receive all such information, Evidence and claime as well in yo'r Maj'ties behalfe as of all p'sons and Corporations whatsoever as should bee offered wth other Nessessary Instructions & that upon the two and twentieth of Aug'st, wee convened at ye place aforesaid where Capt. John Allyn and mr. John Wadsworth two of the Majestrates of Conecticott Collony as their agentes, Thomas Hinckley Esq'r Gov'r of New Plymouth In person and mr Waite Winthrop, mr. Symon Lynde, mr. John Saffin, mr.

Elisha Hutchinson, mr. Richard Wharton and mr. Joshiah Lambe in thire owne Behalfe and as Representatives for ye Rest that claime Propriety in Right of John Winthrop Esq'r and Major Humphrey Atherton and Parteners, all Appeared and after every duty full and thankfull acknowledgm'ts of yo'r Maj'ties great and gracious care to informe yo'r Selfe and by yo'r final Determination to cause impartial Justice to bee done. The Agents of Conecticott and Gov'r of New Plymouth in theire Collonies Behalfe Respectively claimed Jurrisdiction by pattent over the Kings Province or Narragansett countrey, and the said mr. Winthrop, Lynde, Saffin, Hutchinson, Wharton and Lambe, Entered their claimes and produced their Evidences for the Soyle of the said Province and countrey. Sundry Other Claimes were alsoe Exhibited to Severall parts of ye Said Province, all P'sons any waise concerned Expressing grate Sattisfaction in and Submission to yo'r Maj'ties Commands and our proceedings, Excepte Onley ye Governm't of Rhoad Island and Providence Plantations, from whom accordinge to the Informations given to yo'r Maj'ties Commissionr'es

(37) Anno, 1664, and what was Some yeares Since Suggested to yo'r Maj'tie and Councill by Randall Houldeen and John Greene, wee Expected further Information as Evidence as to yo'r Maj'tys interest and Propriety, but in steed of their Collonies Assistance in yo'r Maj'ties Concernes and prosecution of their owne prettension, their Genereall Assembly was promptly called and as wee are informed adjourned in an un-usuall manner to a house in the Narragansett Countrey, distant about a mile from ye place of our Session who Sent us a Lett'r interdicting o'r Proceedings which not availeing thye Sent their Sergeant Generall in a Riotus mann'r wth a greate number of horsemen who by Loud Proclamation Prohibited us from Keepeing court in any Part of their Jurrisdiction, Commanding all persons within ye Verge of their Collonie or Kings Province to Depart and not to bee abett'rs to our pre-

tended Court, as by their Lett'r & Proclamation Maye more fully Appaere Notwithstanding wee continued to make Stricte Enquirey and Examination both of the Ancientest Inhabitants of ye English and Indians for two dayes and received all such claimes as were presented & in Regard nowe Appeared wth any claime or plea in yo'r Maj'ties behalfe, wee Adjourned to Boston there to meet on the third of September following, and Substituted a Committee to carry a Lett'r to Rhoad Island court intimeteing our Adjournm't and Demand in yo'r Maj'ties name and for yo'r behalfe, yt ye said Committee might Stricte Judge and Examine their Records, and alsoe sent particular sumons in yo'r Maj'ties name to said Houldin and Greene to appeare before us on the third of September, and to give in Evidence pursuant to ye Information or Suggestion given to yo'r Maj'ty in 'Councill at Whitehall, which said Lett'r was delivered to mr. William Coddington their Governor, and ye Sumons to ye Said John Greene, in Open Court, the Answer and Responce whercof and the methods of our Proceedings and of ye greate contempt Offered to your Maj'ties Commission by ye Gen'll Assembly of Rhoad Island, wee humbly Reffer To a Narrative drawne by William Wharton our Reg'r and approved by our Selves which with this will by our Ord'rs bee humbly laid at yo'r Maj'ties feete.

Upon Monday the third of S'd September wee againe convened at Boston and gave further Opportunities for New Claimes, but none from Rhoad Island Appeared, Soe yt they then faileing In their duty, mr. Richard Wharton and partners Exhibited a printed booke containgeinge a Deed beareing Date the 19th of aprill 1644, being the Subjection of two chiefe Sachems named, Pissicuss and Canonicus of themselves, their people and lands to the care, Protection and Governm't of yo'r Royall father of blessed memory and wth the Said Booke was presented a Breviate or memoriall of ye Occaission and Improvement of Said Subjection, the said Wharton and parten'rs Declaireinge that none of them Know of any other Evi-

dence as to yo'r Maj'ties Propriety or interest in ye Soyle, nither hath any bin Offered by any other hand, Soe That wee have Primirly and Seriously considered ye Severall claimes Before us to ye Jerrisdiction which wee finde as well by the Said printed Deed of Subjection as by former Capitulations and conclusions after Conquest of the Pequods Betweene ye Maj'ties Subjects of the United Collonies and the Sachems

(38) and Consello'rs in the Narragansett Countrey and the Purchase, Possession and Improvement made by yo'r Maj'ties Subjects to have bin Absolutely vested in yo'r Maj'ty and yt yo'r Maj'ty by yo'r Letters Pattents dated at Westminster the three and twentieth of April, in the fourteenth yeare of yo'r Maj'ties Reigne yo'r Maj'ty granted to ye Gov'r and Company of Connecticott and their Success'ors all that part of yo'r Dominion in New England, Bounded on the East by Narragansett River, comonly called Narragansett Bay, Where the said River falleth into ye Sea, and on the North by the Line of ye Massachusetts Plantation, and on the South by the Sea and in Longitude as ye Lyne of the Massachusetts Running from East to West that is to Saye from ye Said Narragansett Bay on the East to the South Sea on the west part, there unto adjourneing together with all firme lands, Soyles, grounds, Havens, Ports, Pointes, Watters, fishings, Mines, miniralls, precious stones, and all and Singular other Commodities and Jurrisdiccions whatsoever Reserving to yo'r Maj'ty, yo'r heires and Successors, Only the fifth part of ye Oare of Gold and Silver as by the said Charte maye at Large appeare.

Wee have alsoe had Information, yt Sometime after yo'r Maj'tys grant and Said Pattent was Sent to yo'r Collonies of Connecticott, the said Countrey of the Narragansett was Likewise by Pattent granted by yo'r Ma'ty to ye Gov'r & Compa. of Rhoad Island Plantation, and is by Charter bounded by a River called Pawquatuck which by said Charter is for ever to bee accounted and called the Narragansett River, and this Latter grant of yo'r Maj'ty to Rhoad Island Seemes to bee

founded upon advice Submitted to, by John Winthrop esquire, Sayd to bee Agent for Connecticut Collony and mr. John Clarke Agent for Rhoad Island to which the Agents of Connecticutt plead that mr. Winthrops Agency for them wase when hee had Obtained and Sent ye Pattent to them, & that noe Submission or act of his could Invalidate or deprive them of any the benefitts graciously granted by yo'r Maj'tys Charter and yt Notwithstandeing the Seemeinge Bounderries, Sett by the said Articles Signed by mr. Winthrop and mr. Clarke, Itt is in ye same Articles provided yt the Propriet'rs and Inhabittants of the Narragansett Countrey, Shall chuse to which of the two Governments to belong, and yt they unanimously chose and Subjected to the Government of Connecticutt und'r which yt Plantation began to prosper till ye yeare 1664-5 when Some of yo'r Maj'ties Commissionrs (which it is alledged without Collonell Nicholls,) then absent, (could make noe valid act) In favour to ye Rhoad Islanders, Published some Inadvertent Ord'rs Sent by Collonell Nicholls and themselves Reversed however by the said Ord'rs and the prettensions that the Rhoad Islanders by virtue of their Pattent make Wee finde they have much Mollested the Inhabitants and Discouraged the Settlement of the said Countrie and occasioned Continuall Controversies betweene the said Colonies.

Pursuant therefore to yo'r gracious Ends to quiett these Disputes, wee have Carefully Endeavoured to Obleague certaine Knowledge of the boundes of yo'r Maj'ties Council of the Narragansett Countrey, and upon ye best Evidence offered and Examination of Sundry Ancient persons both of the English and Indians, It appears yt a Brooke called Wecapaug is neare the Sea the westerly boundes of the Narragansett Country, all the land

(39) which is in bredth aboute fouer or five miles, Lyeing betweene the said Brooke and Pauquatuck being the Pequod Countrey, and by Conquest taken from them and disposed of to Severall p'sons within which Limitts

Lyes Said farmes bellongeing by Ancient grant, to Harvard Colledge, to mr. Symon Lynde & other persons whose titles being asserted have bin Acknowledged by all others Pretending Propriety, and yt the Narragansett Bay or River where it fall into ye Sea bounds ye Narragansett Countrey Easterly and by a testymoney given by Gov'r Winthrop in his Life time upon another occassion, and alsoe by Information of Sundry Old and principall Indians, It appeares that Patuckett River lyeing betweene Rehoboth and Providence was ye intended boundery, and lines betweene Plimouth Collonie and Providence plantation which in Plimouth Pattent is called Narragansett River, the Patucket river fallinge into the greater Narragansett River or Bay that bounds Narragansett, Eastward Soe, yt betweene ye Said River of Patuckett Quenebaug and Nipmug countries to ye Northward and Wecapaug Brooke, Westerly Lyes the whole Dominion and territory containing the Cowhesett and Niantick Countreys, formerly and lately bellonging to ye Narragansett Sachems and generally called the Narragansett Countrey as doth claime made by the Colloney of Plimouth to Jurrisdiction and Toycheing Narragansett Countrey, wee finde it hath onley foundation from ye name given to Pawquatuck of ye Narragansett River, (and if Anciently and truely soe called then Plimouth's charter if confirmed by yo'r Maj'ty being granted by the Council of Plimouth and beares date the 13th of January, In the fifth yeare of ye Reigine of yo'r Royall father) will Determine ye Controversee Betweene Rhoad Island and Connecticott, and Comprehends ye whole Narragansett and part of the Pequod Countrey, the Lands granted to plimouth, being bounded Southerly by the Narragansett River, But with humble Submission wee cannot See any cause to Judge yt the said Pawquatuck Riv'r Anciently was or ought to bee called or accounted ye Narragansett River, Because it Lyes Some miles within the Pequod Countrey a Nation till Exterpated by the English often or allwise at warr wth ye Narragansetts, and to which Territorys ye Nar-

ragansetts never planted, because Pawquatuck River falls into ye Sea many miles to ye westward of any part of Narragansett Bay, Wee are of Opinion that ye Narragansett Bay is the River Anciently called Narragansett River, both because it on the Eastward washes and boundes ye whole length of the Narragansett Countrey and for that, Plimouth Colloney which hath now bin planted neare three score yeares have ever since bounded themselves accordeinge to ye tearme and Limitation of their Pattent, by the Same Bay called Narragansett River, towards the South into which ye freshes of sayd Riv'r called Pacatuck Empties it Selfe in a Precipice, thus in all hummillitie haveing Represented our opinion as to the bounds & Jurisdiction, wee humbly Exprest Our Oppinions Respecting Proprietie of Soyle as followeth:

Wee finde that by one Deed Dated ye Eleventh of June 1659, Coginaquand chiefe Sâchem and Proprieto'r of the Narragansett Countrie did give, grant and conveye to John Winthrop Esq'r and Maj'r Humphrey Atherton and Partners, their heires and assignes one lardge tract

(40) of land now called ye Northward tract, and ye sayd Coginaquand by another deede dated ye 4th of July 1659, did in like manner conveye to ye said John Winthrop, Maj'r Atherton and Parten'rs, another lardge Peace of land now called ye Southerne tracte or Namecock and wee finde by Sundrye other Deeds from ye Other Sachems, the sayd Conviances Ratified and Sundry Receipts and acknowledgm'ts of full Sattisfaction to all p'sons any waies concerned.

Wee alsoe finde that by a deed beareing date the 13th of Octo. 1660, Sequenck, Ninaguatt, Scuttup and Quequagannett, Narragansett Sachems for valuable consideration Mortgaged to Maj'r Atherton and Parten'rs, the remaineing parte of ye whole Narragansett Countrey containeing the Cowhesett and Niantick Countreys, and find yt as part of yt Consideration Seven hundred thirty four fathom of Peague

was payd Novemb'r 16th, 1660, and Sundry other pyaments made and gratuities given to full Sattisfaction as by Sundry receipts and acknowledgm'ts doth appeare, (the Commisso'rs of all yo'r Maj'ties Collonies approving these transactions and alsoe Wee finde by the testimonies of John Button, William Cotton, John Rhoades and Ambrose Leech, Sworne before John Endicott Esq'r, Gov'r of the Massachusetts, the 22th of Septemb'r, 1662, and Recorded at Hartford, yt Scuttup and Ninaguatt wth Sundry other Sachems Consello'rs and Indians to the Number of two or three hundred being assembled at a place called Petaquamscott, the said Scuttup in presence of sayd Indians and many English alsoe assembled did in the behalfe of him selfe, brother and friends delliver possession of the Countrey by turff and twigg to Capt. Edward Hutchinson, Capt William Hudson and mr. Richard Smyth, Juno'r, in behalfe of them selves & Partners Declaring the lands to bee then allready Sold by Deede by them selves & the rest of the Saggamores to Maj'r Atherton and Partners.

Wee alsoe finde yt the Said Maj'r Atherton, Capt. Hutchinson, Hudson & partners with grate Expense and Industrey applied them selves to ye Settlement and Improvem't of Sayd Countrey, maney Considerable farmes being Layd out, houses and Edifices Errected and two townshipp alsoe Layd out, and methods for Improvem'ts and tenures agreed upon With ye Inhabitants of our townes named, Wickford and ye other Newbury.

Alsoe it Appeares that the said Purchas'rs did Request and Instruct John Winthrop Esq., to Supplicate yo'r Maj'ty to add ye Sayd Narragansett Countrey to the territoryes and Jurrisdiction of Connecticott, which yo'r Maj'ty graciously granted and was further graciously pleased by yo'r Royall Lett'r dated ye 21th of June, 1663, Directed to ye Gover'r and Assistants for the Massachusetts, Plimouth and Connecticott Collonies to Approve and Encourage the Purchase'rs dessignes and as yo'r Maj'ty pleased them to call them Laudible Evid-

ences to Settle and plant a Colloney to the Enlargem't of yo'r Empire and to Recomend the said Purchasso'rs and Proprieto'rs to the Neighbourly Kindness and Protection of sayd Collonyes willing them upon all Occaissions to bee assisting to them

(41) against the unjust Oppressions and molestations of those of Rhoad Island with other Expressions of yo'r Royall grace and favour to ye Said Purchasers Apon which titles and encouragem'ts the Clayments offer probable Computation and argum'ts that their P'desso'rs them selves and p'sons concerned with them have Expended for purchaseing and Settling the said Countrey at least Twenty thousand Pounds, and that had not ye Ill Effects of the Ord'rs made by some of yo'r Maj'ties Commisso'rs that come Over in 1664, and the greate mollestrations and pretensions of ye Rhoad Islanders Obstructed the Settlement, the Countrey had by ye Planting the Sayd two towns and other Improvem'ts bin Soe Populated that greate part, if not all the mission of the late Indyon warr had bin prevented.

Some other, claimes have bin made by mr. James Noys and others of Some other tract of land lying in ye Niantick Countrey as derieved from Harman Garrett and his son named (—————) Pretended Indian Sachem who personally appeared before us, but upon Examination wee cannot finde the said Harman Garrett or his Son had any Righte or pow'r to dispose of any of the Lands, the Same haveing bin Beyond the memory of man Possessed by Ninigratt, the other Indians acknowledging and lestifieing the same.

Other claimes also were Exhibited to Sundry other tracts within the Narragansett Countrey, but the titles being Either derived from or Depending upon mr. Winthrops and Maj'r Athertons Purchases wee humbly conceive more proper for a Court of Judicature.

Thus, after most stricte and Impartiall Inquirey and Examination, haveing Stated wee most humbly laye before yo'r

Maj'ty, the Severall Orriginall claimes and Pretencetions offered to us with Respect to the Propriety both of Jurrisdiction and Soyle in yo'r Maj'ties Province, Or Narragansett Countrey and in furthar Obedience to yo'r s'd Commission have Serriously Weigh'd and considered all Evidences, pleas, promises and Allegations and adee our owne Observations of the course of the Narragansett River or Bay, and Sittuation of the Country Soe farr as wee have travelled therein and with most humble Submission and Reservation of yo'r Maj'ties Right Soe farr as it maye appeare to yo'r Maj'ties Offer, our Oppiniu that by vertue of yo'r said Letters, Pattents granted to Connecticott Jurrisdiction in and through the said Province or Narragansett Countrey of Right bellongs to ye Said Colony of Connecticott, and that propriety of Soyle as Dirrived from mr. Winthrop and Maj'r Atherton is vested in the heires and Assignes of the said mr. Winthrop, the heires of Thomas Cheffiuch, Esq'r, Maj'r Atherton, mr. Rich'd Smith, mr. Symon Lynde, mr. Elisha Hutchinson, mr. John Saffin, mr. Richard Wharton and Partners, and Such as dirived from them noe Considerable opposition being by any Corporation or person given before us to their Claime and tittle, the same being granted by the said Agentts

(42) of Connecticott Notwithstanding wee doe not conceive that their Said Purchasses doe any waise Intitle them to any part of the Pequod Countrey lyeinge betweene Wecapauge and Pawquatuck River, nor that ye former lawfull purchasses and possessions of ye Inhabitants of Providence and warwick ought to bee Prejudiced thereby and finally wee hold itt our duty humbly to Informe yo'r Maj'ty that Soe long as the Pretensions of the Rhoad Islanders to ye Governm'ts of Said Provinces continue, itt will much discourage the Settlement & Improvem'ts thereof, it being very Improbable, yt either the afore named Claym'ts or others of like Reputation, and Condition will Either Remove their families or Expend their Estates und'r Soe Leese and make a Govern-

m't and to yt end that yo'r Maj'ty may at all times have more particular Sattisfaction, and the persons concerned Oppertunitie upon Occaission further to Asserte and prove their interest withunto hazardinge their Orriginall Easements Apon the sea wee have caused an Oath to bee administered to our s'd Regester, under his hand to Attest all such deeds and papers as have bin received by us and to Copy and truly Examine the same and In like manner to Attest to Such Copies and afterwards to Returne the Orriginalls and Copies upon Demand to ye parties yt Produced the same In Obedience to yo'r Maj'ties gracious Commission and Commands, wee with all humilitie Offer this o'r Report which wee Cause to be Duplicated, Concerneing yo'r Maj'ties graceous Acceptance of o'r Dutyfull Endeav'rs to Approve o'r Selves,

Yo'r Maj'ties most Loyall and Obedient.

As a farther addition to o'r Reporte wee humbly offer that Since the close of yo'r Maj'ties Commission, mr. Edward Randolph arriveing and Signifieing his pow'r in behalfe of his Grace, ye Duke of Hamilton, to make Claime to the Kings Province or Narragansett Countrey, wee have againe Convened & Sumoned Soe many of the Proprieto'rs as could in Soe Short a time assemble, and in their presence and hearing heard read the Copie of the Dukes Deed and heard mr. Randolphs pleas and Improvements thereon & finde it takes in parte of the said Province or Narragansett Countrie, and have alsoe received the answe'rs and Defence of the said proprieto'rs which wee humbly transmitt and Submitt to yo'r Maj'ties Consideration, Wee have alsoe Ordered Copies of ye Dukes

Deeds and Propriet'rs Pleas to be sent to ye Colloney of Connecticut to the End, they maye have Oppertunie by the first Conveyance to make their answ'rs and Defence before y'or Maje'ty.
